**Referral
Rock**

The background is a dark blue gradient with various white line-art icons representing business and technology concepts. These include a hand holding a lightbulb, a bar chart with an upward arrow, a dollar sign, a pie chart, gears, a hand holding a pen, a stack of books, a magnifying glass, and a rocket ship. The icons are scattered across the frame, creating a professional and innovative atmosphere.

When it comes to rewards, Referral Rock gives you lots of flexibility including gift cards, coupons, monetary, and most other rewards you want to track and manage.

Let us teach you about managing rewards in Referral Rock

Types of Rewards

Through Referral Rock you are able to issue these types of rewards

Gift Cards

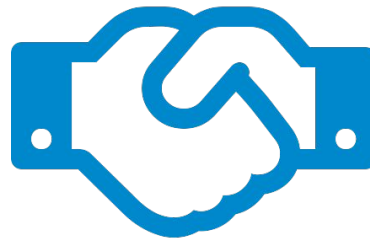

Coupons

Monetary - PayPal or Prepaid Visa

Manual or API - We track and manage the reward. You distribute.

Gift Cards

Referral Rock allows you to send different types of electronic gift cards to your members and referrals. To send e-gift cards you only need to have an escrow account and we'll handle the rest.

Referral Rock supports over 100 different types of U.S. and International gift cards

Amazon & other merchants

International

Non profit donations

Recipient's choose themselves
